

WINE OF CHILE

# QUINTA LAS CABRAS

It is a tribute to the way of life that the first families used to have in Las Cabras, a place near the Valle de Peumo DO Valle de Cachapoal. The "Quintas", were family mansions where countless stories were written, different generations lived, passionate about the land and that is where they started making wine in the area. Quinta las Cabras wine is an invitation to rediscover our roots and the essence of origin.
